NO REPLY YET GIVEN BOLSHIEVIK OFFER TO ACCEPT ENFORCED PEACE

Whether Step Will Halt Onward March of Germans Into Russia
Uncertain—Renewal of War Unpopular With Peoples of Central Powers.

(Associated Press Review.)

Germany has not yet replied to the bolshevik offer to accept an enforced peace. Her armies having occupied Dvinsk and Lutz continue the invasion of great Russia on a front of more than 400 miles from the Gulf of Riga to Lutz.

Menaced by the power of German militarism, the bolshevik government, unprepared for warfare, and its armies partly demobilized, agreed to accept the hard terms refused only a few days ago at Brest-Litovsk. It is

are being bombed by British naval airmen. Berlin reports the destruction of seven allied airplanes.

Attacks on the Lloyd George government in England have been quieted again by the premier in a personal appeal to the house of commons either to accept the policy agreed on at Versailles, or put in another government. No proposal for a vote of confidence was made, the opposition apparently not wishing to carry the matter that far. The supreme war council the premier said, had accepted with slight modifications the plan proposed by the American delegates, who were praised warmly by Mr. Lloyd George.

EGGS GO BACK TO FORTY CENTS

The only important change in the market quotations today is a sudden decline in the price of eggs. Yesterday they were quoted at 45 cents per dozen, having advanced 5 cents over Saturday's and Monday's quotations.

Eggs are selling all the way from 5 to 20 cents each, with scarcity in the market.

Paraleys has advanced from 5 to 10 cents per bunch.

Bananas range from 10 to 30 cents per dozen, according to quality.

LEFT MAN'S HAND IN KERN'S OFFICE

A soldier whose surname is said to be Gorman was badly hurt by a train near the Market street crossing of the N. C. & St. L. railway early Wednesday morning. His hand was cut off and he sustained other injuries. He was picked up, placed in the automobile of an army officer and carried to Erlanger hospital, where he received medical attention.

While details of the accident were not given in a report that has been made at police headquarters, it was intimated in the report that the soldier either got on or fell from the train.

The man's first name was not known at the hospital, but his surname was given as Gorman. He was thought to be in the Fifty-first infantry, but when the adjutant's office of the infantry was called at was learned that Gen. Edwin A. Gorman, of the Fifty-first, is in a hospital at Oglethorpe.

Information from the office of Capt. Kenneth E. Kern, chief of the provost guard, was that the early Wednesday morning the injured soldier was brought to the city hall by an army officer, who was told to take him to Erlanger. The man's hand was left at Capt. Kern's office and has been placed in a jar of alcohol. The guard who directed the officer and the injured man failed to get the latter's name or what regiment he belonged to.

The colored citizens of Orchard Knob and Churchville sections have sent an address to General Manager Reed of the Chattanooga Electric Railway company, complaining of the service on the East Chattanooga line, and asking that steps be taken to remedy the conditions.

The negroes complain that they are crowded on the cars, and that they are discriminated against.

They name certain hours, during the busiest times, when they are put to much trouble in riding the cars, and suggest that special cars be put on for their benefit, as well as for the white people.

Mr. Reed has assured the committee that he will take the matter up at once, and do what he can to remedy the bad conditions spoken of.

MAN POWER PROPOSALS REJECTED BY ENGINEERS

London, Feb. 20.—The Amalgamated Society of Engineers, according to a statement issued yesterday by the secretary of the society, has rejected the government's manpower proposals by 93,547 votes. The figures were: For the government proposal, 27,470; against, 121,017.

As a result of this ballot the chairman of the Amalgamated Society of Engineers, a leading trade union conference committee, declared that they must maintain their contention that the government must negotiate with them separately on the manpower proposals.

SUFFRAGISTS NEED BUT TWO VOTES MORE IN SENATE

Washington, Feb. 20.—The passage of the federal suffrage bill is assured if 60 yeas are recorded, and Edges, of New Jersey, appoint "favorable" men to fill the vacancies made by the deaths of Senators Huston and Hughes, the national woman's party announced last night.

The latest proposal to create by national woman's party workers says that two more senators must pledge themselves to vote "yes" before the suffrage amendment will be absolutely safe, the woman's party organization asserts.

The suffragists are so sure that these governors will add two more votes to the majority the republicans are rolling up for suffrage that plans are already under way for the ratification campaign.
